# ART CLINIC CONTEST

**Environment** is living things and what is around them. In the environment there are interactions between plants, animals, soil, water, temperature, light, and other living and non-living things.

A person's environment is the people, physical things, places, and events that the person lives with. The environment affects the growth and development of the person. It affects the person's behavior. It affects the person's body, mind and heart.

The environment is all of the natural materials and living things, including sunlight. This is also called the natural environment. Some people call themselves environmentalists. They think we must protect the environment, to keep it safe.

Let your creative juices flow. Think and draw what you perceive about the environment.

You are allowed 10 minutes to fill the required details. All the details are important and hence must be filled carefully and neatly in Capital Letters.
