ART CLINIC CONTEST

How to save the Earth?

We live on planet Earth. We get everything for our life from mother Earth. We should save our planet Earth to ensure that our future generations get a safe environment.

We can save our planet Earth by saving our trees, natural vegetation, natural resources, water, electricity. We can take measures for controlling environmental pollution and global warming.

Imagine and draw how you can save Earth.

You are allowed 10 minutes to fill the required details. All the details are important and hence must be filled carefully and neatly in capital letters.
