Dated : 31-7-2006

To
The Principal
Kendriya Vidyalaya No-3 Delhi Cantt./JNU Campus.
New Delhi

Sub :- Bio-technology as an optional subject in Kendriya Vidyalayas.

Sir,

I am to enclose herewith a letter received from Joint Commissioner, Acad. (KVS) which is self explanatory. As per this letter, you are directed to introduce/ start Bio-technology from the current session in +2 & start the teaching of this subject by appointing a PGT (Bio-technology) on a consolidated remuneration of Rs. 12000/- (Twelve Thousand only) per month on contractual basis. The qualifications prescribed for PGT (Bio-technology) by the CBSE are as under :-

- a) M.Sc. /M. Tech in Bio-technology
- b) M.Sc. in Genetics
- c) M.Sc. in Microbiology
- d) M.Sc. in Life Sciences/Bio Sciences
- e) M.Sc. in Bio Chemistry

Admission are to be granted to students of Science Stream only. As per the scheme of studies the student can opt Bio-technology along with biology or any other subject.

Financial grant for lab etc. will be sanctioned separately, very shortly.

You are requested to do the following things :-

- 1) To enroll students to the prescribed strength.
- 2) To make advertisement for the appointment of teacher on contractual basis as per direction given above.
- 3) To make available a spacious room for bio-technology lab.

In this connection Dr. Sandeep Ahlawat of Edu-Heal Foundation along with Neha Kasera will be visiting your school at the behest of KVS(HQ) to enlighten and assist you this endeavour.

A sincere effort on your part will be appreciated.

(Dr. Shachi Kant)
Assistant Commissioner
